

MIDLOTHIAN SPEECH & LANGUAGE THERAPY

SLT Helpline

Midlothian Speech & Language Therapy Department offer a weekly telephone help line, for parents and professionals to ring us to discuss any concerns they have about a child's speech, language and communication skills.

For advice or to discuss a child or young person with us please phone

0131 454 9544

on a Tuesday afternoon from 14.00 – 16.00

Discussions are confidential but we recommend that consent is gained from parents/carers when raising concerns regarding a child or young person's development. We may provide you with information, advice or resources, we may signpost to other services and we may recommend assessment by one of our team.

If further action is advised we will discuss this with you.

Anyone can ring us if they would like to talk to an SLT for advice. You don't need to go to your GP or school to access this service.

www.lets-talk.scot.nhs.uk – our request for assistance form can be found on our website under Early Years Professionals
