- Nursery Funds

This is a donation that we ask for to enable us to purchase healthy snacks for the children as well as additional resource. Information about the recommended amount and when to pay can be found on the information board within the nursery. Please ask a member of staff if you require additional information.

- The Borrowing Library

Children can borrow books from the Nursery to read at home. The Borrowing Library is located at the back of the nursery room. Please feel free to have a look at drop off and pick up times.

- Peep

Peep sessions are held in nursery each Wednesday – Our PEEP Sessions focus on how to make the most of the learning opportunities in everyday life at home – listening, talking, playing, singing and sharing books every day. By working with adults and their children, PEEP supports parents and carers in their role as the first educators of their children. We would love to welcome you along. Spaces are limited so if you would like to join in please speak to Mrs Rao who is our PEEP leader

It is the school policy, when a child has an injury to their face or head regardless of the severity; we are required to make a phone call home. This will also be recorded on an accident or incident form at nursery which you will be asked to sign. If you have any questions regarding this please speak to a member of staff.

If your child is going to be absent from nursery for any reason please could you let us know by phoning us on 0131 271 4610
