

Can you Help.

We are trying to develop out outdoor space for the children .

We hope to create a learning space for the children to be able to nurture and grow not only flowers but vegetables.

Understanding where our food comes from and how to harvest this.

We are looking for your help with the following.

Outdoors

Any donations of plants (Child friendly)

Bags of Bark chippings

Compost

Garden ornaments

Indoor Plants

Your time to help as we are not gardeners and would value any input from you.

Log slices (if you have a spare log and a bow saw!)

Any Natural materials

Astro turf (Any off cuts)

Inside Nursery

Rugs

Indoor plants
