We will be making things to sell with the children, maybe a few spooky bakes! The children will then sell baking at their stall. Please watch for further information after the holiday.

Nursery Consultations

During the weeks 28th and 4th October we will hold parent consultations. This is an opportunity for you to come into the nursery and have a chat with your child's key worker. If you would like to make an appointment please see your child's key worker who will have times available for you. The consultations will only be for returning children who attended nursery in June. We will have a date set in the New Year for our newer children to have their consultations. Please remember we are happy to chat with you at anytime regarding your child's learning and progress or if you have any concerns.

Clothing

As part of the nursery day we offer the children a full range of experiences, inside and out, the children are able to access the garden in all weathers.

Please can you ensure your child has a full change of clothing with them every day, a waterproof jacket and wellies.

We do have a small stock of waterproof trousers and a couple of pairs of wellies, but if you could provide your child with their own, that would be great. If you have any spare wellies you would like to donate to us they would be very gratefully received.
