19 January 2021

Dear Parents and Carers

**Telephone Consultations: Monday 25 January - Friday 5 February 2021**

As you will be aware, it is the time of year where we would usually invite you into school for a parent consultation to discuss your child's progress in learning and next steps. Whilst we are unable to invite you into school, we are keen to ensure that you still have the opportunity to discuss your child's progress with their class teacher. Class Teachers will therefore be providing you with a 10 minute telephone consultation.

Teachers will be sending out appointment times via Seesaw by the end of this week which will let you know the date and time of your appointment. In order to provide greater flexibility, teachers will hold their consultations over a two week period: **Monday 25 January - Friday 5 January 2021**. We would ask that where possible you try to keep the appointment that you have been provided with. Where this is not possible, please contact the class teacher to request a change of date or time. In order to ensure that teachers are able to make all of their calls on time, can we gently remind you that calls can only last 10 minutes. Please note that there should be no shocks or surprises during parent consultations. If the teacher has any concerns about your child, they would contact you separately. We also ask that should you have any specific concerns about your child that you do the same. This means that your consultation allows for enough time to discuss your child's progress in learning and next steps.

Whilst we recognise that a telephone consultation will not provide you with the same experience as coming in to school to meet with the class teacher in person, we hope that you find a telephone consultation a good opportunity to talk to the class teacher, particularly during this period of Remote Learning.

Kind regards

Julie Findlay and Zoe Orr  
Depute Head Teachers
