

Vision Values and Aims

Vision

King's Park C.A.R.E.S

We strive to create an environment where all our learners experience and demonstrate...

Creativity

Aspiration

Resilience

Empathy

Success

Values

Our Vision at King's Park Primary School is underpinned by our core set of shared values:

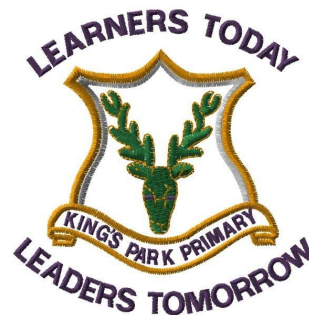

Effort Happiness Inclusive

Kindness Respect

Next Steps...

- Promote and embed Vision, Values and Aims across the school community.
- Share Vision, Values and Aims with parents and stakeholders.
- Develop visuals for classrooms and around school to communicate our Vision, Values and Aims with visitors and members of our school community.
- We were delighted to have Fischy Music run workshops with some of the pupils to write a school song inspired by our new Vision, Values and Aims. This will be used in huddles and assemblies going forward.

Thank you to all parents, carers and stakeholders who have been involved in developing our new Vision, Values and Aims!

Introduction

We are delighted to share with you our new Vision, Values and Aims for King's Park Primary School. This has been a collective process which we aim to outline in this information sheet.

Staff

As part of our School Improvement Priorities for 2018-19, staff set out to review and develop our Vision, Values and Aims. Educational Psychologist, Cillian Allan, delivered a session to all members of staff to develop a vision of who we are, what we stand for and what our mission is at King's Park Primary School. It was through this that the **vision** of 'King's Park C.A.R.E.S' was developed.

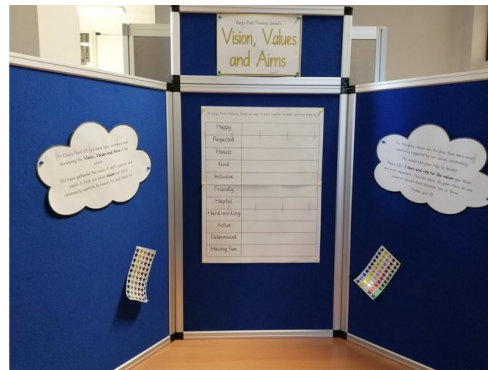

Over the course of 2018-19, the school's behavior policy was also reviewed and developed. All staff and members of the parent council fed back and contributed to the creation of the Behaviour Blueprint. The rules were identified and used as an over arching theme under which the school **aims** have been developed.

Families, Stakeholders and Pupils

During the Open Morning in May 2019, we invited parents and carers in to take part in activities with their children to promote discussion and gather feedback in identifying what we stand for at King's Park

P.S and what we want to be known for. This enabled us to identify the key values shared by all. Key messages were gathered from the Open Morning and a survey was created to allow all staff, pupils and stakeholders to vote on the key **values** that should be most evident and promoted in King's Park P.S. A dot-mocracy voting system was used in classes and displayed within the main reception area. An online survey was also used to gather the views of the wider school community.

Aims

Through our three King's Park Rules, we are committed to:

Ready to Learn

...Creating an environment where all learners are fully engaged in high quality teaching and learning experiences.

...Meeting the needs of every learner through appropriate pace, challenge and effective support.

Be Responsible

...Promoting leadership at all levels where learners are engaged in all aspects of school life.

...Developing a community where everyone demonstrates a responsibility for care towards peers, staff and the property.

Respect for All

...A Rights Respecting School where all members of our school community feels included and welcomed.

...Working together to create a caring, safe and trusting environment.
