## Relationships Education Information

Dear Parents and Carers,

I am writing to inform you about King's Park's approach to Relationships, Sexual Health and Parenthood education (RSHP) ahead of our final Summer term.

As a school, we are looking to utilise a national resource, developed by local authorities, health professionals and the Scottish Government for Primary 1 to Primary 7 pupils. This has been carefully created to offer age and stage appropriate lessons which are in line with the Curriculum for Excellence Experiences and Outcomes.

Please find attached a leaflet providing key information on the RSHP programme that we will be delivering within our school. The resource is very accessible and all lessons and activities used in class can also be viewed online at home by accessing this website: <https://rshp.scot/>

After the Easter holidays, I would like to host a parental workshop session to highlight the key aspects of the programme and answer any questions you may have. In order to gauge interest and if you would like to attend such a session; could you please fill in this quick form.
